C. Use, Security, and Retention

Confidential information of any kind shall not be distributed or sold to any third party or used by Contractor or its agents in any way, except as authorized by this Contract or approved in writing by the State. Confidential information shall not be retained in any files or otherwise by Contractor or its agents, except as permitted in this Contract or approved in writing by the State.

D. Disclosure-Liability

Disclosure of State records or other confidential information by Contractor for any reason may be cause for legal action by third parties against Contractor, the State or their respective agents. Contractor shall indemnify, save, and hold harmless the State, its employees and agents, against any and all claims, damages, liability and court awards including costs, expenses, and attorney fees and related costs, incurred as a result of any act or omission by Contractor, or its employees, agents, Subcontractors, or assignees pursuant to this §10.

11. CONFLICTS OF INTEREST

Contractor shall not engage in any business or personal activities or practices or maintain any relationships which conflict in any way with the full performance of Contractor's obligations hereunder. Contractor acknowledges that with respect to this Contract, even the appearance of a conflict of interest is harmful to the State's interests. Absent the State's prior written approval, Contractor shall refrain from any practices, activities or relationships that reasonably appear to be in conflict with the full performance of Contractor's obligations to the State hereunder. If a conflict or appearance exists, or if Contractor is uncertain whether a conflict or the appearance of a conflict of interest exists, Contractor shall submit to the State a disclosure statement setting forth the relevant details for the State's consideration. Failure to promptly submit a disclosure statement or to follow the State's direction in regard to the apparent conflict constitutes a breach of this Contract.

12. REPRESENTATIONS AND WARRANTIES

Contractor makes the following specific representations and warranties, each of which was relied on by the State in entering into this Contract.

Contractor warrants that it shall maintain all necessary licenses, certifications, approvals, insurance, permits, and other authorizations required to properly perform this Contract, without reimbursement by the State or other adjustment in Contract Funds. Additionally, all employees, agents, and Subcontractors of Contractor performing Services under this Contract shall hold all required licenses or certifications, if any, to perform their responsibilities. Contractor, if a foreign corporation or other foreign entity transacting business in the State of Colorado, further warrants that it currently has obtained and shall maintain any applicable certificate of authority to transact business in the State of Colorado and has designated a registered agent in Colorado to accept service of process. Any revocation, withdrawal or non-renewal of licenses, certifications, approvals, insurance, permits or any such similar requirements necessary for Contractor to properly perform the terms of this Contract is a material breach by Contractor and constitutes grounds for termination of this Contract.

Contractor and its Subcontractors shall obtain and maintain insurance as specified in this section at all times during the term of this Contract. All policies evidencing the insurance coverage required hereunder shall be issued by insurance companies satisfactory to Contractor and the State.

A. Contractor

i. Public Entities

If Contractor is a "public entity" within the meaning of the Colorado Governmental Immunity Act, CRS §24-10-101, et seq., as amended (the "GIA"), then Contractor shall maintain at all times during the term of this Contract such liability insurance, by commercial policy or self-insurance, as is necessary to meet its liabilities under the GIA. Contractor shall show proof of such insurance satisfactory to the State, if requested by the State. Contractor shall require each contract with a Subcontractor that is a public entity, to include the insurance requirements necessary to meet such Subcontractor's liabilities under the GIA.

ii. Non-Public Entities

If Contractor is not a "public entity" within the meaning of the GIA, Contractor shall obtain and maintain during the term of this Contract insurance coverage and policies meeting the same requirements set forth in §13(B) with respect to Subcontractors that are not "public entities".

B. Contractors - Subcontractors

Contractor shall require each contract with Subcontractors other than those that are public entities, providing Goods or Services in connection with this Contract, to include insurance requirements substantially similar to the following:

v. Primacy of Coverage

Coverage required of Contractor and Subcontractor shall be primary over any insurance or self-insurance program carried by Contractor or the State.

vi. Cancellation

The above insurance policies shall include provisions preventing cancellation or non-renewal without at least 30 days prior notice to Contractor and Contractor shall forward such notice to the State in accordance with §16 (Notices and Representatives) within seven days of Contractor's receipt of such notice.

vii. Subrogation Waiver

All insurance policies in any way related to this Contract and secured and maintained by Contractor or its Subcontractors as required herein shall include clauses stating that each carrier shall waive all rights of recovery, under subrogation or otherwise, against Contractor or the State, its agencies, institutions, organizations, officers, agents, employees, and volunteers.

C. Certificates

Contractor and all Subcontractors shall provide certificates showing insurance coverage required hereunder to the State within seven business days of the Effective Date of this Contract. No later than 15 days prior to the expiration date of any such coverage, Contractor and each Subcontractor shall deliver to the State or Contractor certificates of insurance evidencing renewals thereof. In addition, upon request by the State at any other time during the term of this Contract or any subcontract, Contractor and each Subcontractor shall, within 10 days of such request, supply to the State evidence satisfactory to the State of compliance with the provisions of this §13.

14. BREACH

A. Defined

In addition to any breaches specified in other sections of this Contract, the failure of either Party to perform any of its material obligations hereunder, in whole or in part or in a timely or satisfactory manner, constitutes a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within 20 days after the institution or occurrence thereof, shall also constitute a breach.

B. Notice and Cure Period

In the event of a breach, notice of such shall be given in writing by the aggrieved Party to the other Party in the manner provided in §16. If such breach is not cured within 30 days of receipt of written notice, or if a cure cannot be completed within 30 days, or if cure of the breach has not begun within 30 days and pursued with due diligence, the State may exercise any of the remedies set forth in §15. Notwithstanding anything to the contrary herein, the State, in its sole discretion, need not provide advance notice or a cure period and

may immediately terminate this Contract in whole or in part if reasonably necessary to preserve public safety or to prevent immediate public crisis.

15. REMEDIES

If Contractor is in breach under any provision of this Contract, the State shall have all of the remedies listed in this §15 in addition to all other remedies set forth in other sections of this Contract following the notice and cure period set forth in §14(B). The State may exercise any or all of the remedies available to it, in its sole discretion, concurrently or consecutively.

A. Termination for Cause and/or Breach

The State may terminate this entire Contract or any part of this Contract. Exercise by the State of this right shall not be a breach of its obligations hereunder. Contractor shall continue performance of this Contract to the extent not terminated, if any.

i. Obligations and Rights

To the extent specified in any termination notice, Contractor shall not incur further obligations or render further performance hereunder past the effective date of such notice, and shall terminate outstanding orders and subcontracts with third parties. However, Contractor shall complete and deliver to the State all Work, Services and Goods not cancelled by the termination notice and may incur obligations as are necessary to do so within this Contract's terms. At the sole discretion of the State, Contractor shall assign to the State all of Contractor's right, title, and interest under such terminated orders or subcontracts. Upon termination, Contractor shall take timely, reasonable and necessary action to protect and preserve property in the possession of Contractor in which the State has an interest. All materials owned by the State in the possession of Contractor shall be immediately returned to the State. All Work Product, at the option of the State, shall be delivered by Contractor to the State and shall become the State's property.

ii. Payments

The State shall reimburse Contractor only for accepted performance up to the date of termination. If, after termination by the State, it is determined that Contractor was not in breach or that Contractor's action or inaction was excusable, such termination shall be treated as a termination in the public interest and the rights and obligations of the Parties shall be the same as if this Contract had been terminated in the public interest, as described herein.

iii. Damages and Withholding

Notwithstanding any other remedial action by the State, Contractor shall remain liable to the State for any damages sustained by the State by virtue of any breach under this Contract by Contractor and the State may withhold any payment to Contractor for the purpose of mitigating the State's damages, until such time as the exact amount of damages due to the State from Contractor is determined. The State may withhold any amount that may be due Contractor as the State deems necessary to protect the State against loss, including loss as a result of outstanding liens, claims of former lien holders, or for the excess costs incurred in procuring similar goods or services. Contractor shall be liable for excess costs incurred by the State in procuring from third parties replacement Work, Services or substitute Goods as cover.

B. Early Termination in the Public Interest

The State is entering into this Contract for the purpose of carrying out the public policy of the State of Colorado, as determined by its Governor, General Assembly, and/or Courts. If this Contract ceases to further the public policy of the State, the State, in its sole discretion, may terminate this Contract in whole or in part. Exercise by the State of this right shall not constitute a breach of the State's obligations hereunder. This subsection shall not apply to a termination of this Contract by the State for cause or breach by Contractor, which shall be governed by §15(A) or as otherwise specifically provided for herein.

i. Method and Content

The State shall notify Contractor of such termination in accordance with §16. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Contract.

ii. Obligations and Rights

Upon receipt of a termination notice, Contractor shall be subject to and comply with the same obligations and rights set forth in §15(A)(i).

iii. Payments

If this Contract is terminated by the State pursuant to this §15(B), Contractor shall be paid an amount which bears the same ratio to the total reimbursement under this Contract as Contractor's obligations that were satisfactorily performed bear to the total obligations set forth in this Contract, less payments previously made. Additionally, if this Contract is less than 60% completed, the State may reimburse Contractor for a portion of actual out-of-pocket expenses (not otherwise reimbursed under this Contract) incurred by Contractor which are directly attributable to the uncompleted portion of Contractor's obligations hereunder; provided that the sum of any and all reimbursement shall not exceed the maximum amount payable to Contractor hereunder.

C. Remedies Not Involving Termination

The State, in its sole discretion, may exercise one or more of the following remedies in addition to other remedies available to it:

i. Suspend Performance

Suspend Contractor's performance with respect to all or any portion of this Contract pending necessary corrective action as specified by the State without entitling Contractor to an adjustment in price/cost or performance schedule. Contractor shall promptly cease performance and incurring costs in accordance with the State's directive and the State shall not be liable for costs incurred by Contractor after the suspension of performance under this provision.

ii. Withhold Payment

Withhold payment to Contractor until corrections in Contractor's performance are satisfactorily made and completed.

iii. Deny Payment

Deny payment for those obligations not performed, that due to Contractor's actions or inactions, cannot be performed or, if performed, would be of no value to the State; provided, that any denial of payment shall be reasonably related to the value to the State of the obligations not performed.

iv. Removal

Notwithstanding any other provision herein, the State may demand immediate removal of any of Contractor's employees, agents, or Subcontractors whom the State deems incompetent, careless, insubordinate, unsuitable, or otherwise unacceptable, or whose continued relation to this Contract is deemed to be contrary to the public interest or the State's best interest.

v. Intellectual Property

B. Subcontract.

- 1) The Contractor may subcontract for community corrections services with any private agency or unit of local government for the purpose of rendering services to offenders, provided, however, that any subcontractors shall comply with the terms and provisions of this contract and all applicable sections of Title 17, Article 27, and Section 18-1.3-301, C.R.S., as amended. The Contractor shall include all requirements of this contract in all subcontracts with programs.
- 2) Copies of all subcontracts shall be provided to the State within ninety (90) days following the beginning of the fiscal year or within ninety (90) days following the addition or replacement of a new subcontractor. No payment shall be authorized unless the appropriate subcontract has been executed and the services specified in the approved subcontract have actually been provided.
- 3) All subcontractor responsibilities shall be the responsibility of the Contractor if the State is contracting directly with a community corrections program that provides services and supervision for offenders.
- 4) The Colorado Community Corrections Risk Factor Analysis published pursuant to C.R.S. 17-27-108(2)(b)(II)(B) is attached to this contract as Exhibit "H", and is incorporated by reference.
- 5) In each year, the revised Risk Factor Analysis shall be published and transmitted by the State to the Contractor.
- 6) Except as otherwise provided in subsections 7) and 8) below, on July 1 of each fiscal year, the Contractor shall not disburse any funds allocated pursuant to this contract for services rendered by any community corrections program or provider at any location that has been designated as a "Level 1" program or provider pursuant to the two most recently revised Risk Factor Analysis publications.

- 7) The Contractor may still disburse funds pursuant to this contract to a "Level 1" program or provider if:
 - (a) the program or provider has been operating at its current location for less than 24 months, or
 - (b) the program or provider has not had at least one full performance audit or at least one follow-up performance audit within the 12 months preceding the publication of the most recently revised Risk Factor Analysis, or
 - (c) the Contractor has the written consent of the State to continue to disburse funds to the "Level 1" program or provider. The Contractor shall be required to show cause that funding the program or provider is in the best interest of the State of Colorado and local community.
- 8) Notwithstanding any other provisions of this contract, the Contractor shall withhold the disbursement of funds to any new program or provider situated at the same physical location as a "Level 1" program or provider unless and until:
 - (a) the State concurs in writing that the new program or provider is under new ownership or management, and
 - (b) an initial performance audit of the new program or provider by the State demonstrates that such new program or provider is likely to meet or exceed the performance levels necessary for subsequent Risk Factor Analysis designation as a "Level II," "Level III" or "Level IV" program or provider.
- 9) Notwithstanding any other provision of this contract, the State may on an emergent basis and after appropriate inquiry designate any program or provider receiving funds pursuant to this contract as ineligible to continue to receive such funds when it is demonstrated either:
 - (a) that the current operation of the program or provider constitutes an imminent and significant threat to public safety; OR
 - (b) that the program or provider has demonstrated neglect, reckless disregard, or inability to sustain compliance with the Colorado Community Corrections Standards.
- 10) Designation of ineligibility to continue to receive funds pursuant to section 9) above shall be made with the written concurrence of the Executive Director of the Department of Corrections, the Executive Director of the Department of Public Safety and the State Court Administrator, or their designees.

11) The designation of ineligibility to receive funds shall continue until the State finds that the imminent and significant threat to public safety has been abated and is not likely to recur.

12) The designation of ineligibility to receive funds shall not prohibit payment for services already rendered.

C. Standards. The Contractor shall ensure that its subcontractors meet, maintain and comply with all applicable guidelines or standards as provided in Title 17, Article 27, and Section 18-1.3-301, C.R.S., as amended, and the "Colorado Community Corrections Standards", as revised or amended, attached, marked as Exhibit "E" and incorporated herein by reference. The consultant must be approved by the Contractor and the State. The consultant services shall be at the expense of the program or provider.

3) Implementation of an increased staffing pattern that ensures adequate offender supervision and provision of services.

4) Cessation of offender placements in the program;

The annual plan shall also include the providers' plan to implement specific evidence-based programs and practices to fidelity. If both the Contractor and the provider are the same entity, the annual plan shall be submitted to the State for approval and monitoring.
