**ROCKY MOUNTAIN RAIL PARK METRO DISTRICT
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was formed by order and decree on July 9, 2019 in Adams County, Colorado, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the Adams County Board of County Commissioners. The District's service area is located in Adams County, Colorado.

The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including water and sanitation service, street construction, installation of safety control devices, construction and maintenance of parks and recreation facilities, public transportation, fire protection, television relay and translation system, security services and mosquito control.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The District is required to impose a Required Mill Levy for the Series 2021 Bonds in an amount sufficient to pay the principal of and interest on the Bonds and to replenish the Reserve Fund to the Reserve Requirement equal to \$4,923,000, but not in excess of 50.000 mills (subject to adjustment) and, if the Surplus Fund is less than the Maximum Surplus Amount of \$11,290,000, the Required Mill Levy is to be 50.000 mills (subject to adjustment).

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues (continued)

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

Net Investment Income

Interest earned on the District's available funds has been estimated based upon an average interest rate of approximately .1%.

Developer Advances

The District is in the development stage. As such, the operating and administrative expenditures will be mainly funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from legally available revenue.

Enterprise Revenues

It is anticipated that the Development will contain water wells and storage tanks to provide potable water and non-potable irrigation water throughout the District, and a sanitary package plant, effluent water storage and sanitation treatment facilities necessary to provide sanitation services throughout the District. The District declared its intent to operate its water activities as a Water Enterprise and its sanitation activities as a Sanitation Enterprise. The District adopted a Resolution Adopting a Schedule of Rates, Fees and Charges imposing tap fees and ongoing service fees for water, wastewater, and fire suppression services.

Expenditures

Administrative and Operating Expenditures

Operating and administrative expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, management, accounting, and insurance. Estimated operating expenditures which include landscape maintenance, irrigation, repairs and maintenance, asphalt repair, pet waste disposal, and snow removal are also included in the General Fund budget.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.50% of property tax collections.

Debt Service

The debt service schedule for the District's Series 2021 Bonds is displayed on the Schedule of Debt Service Requirements to Maturity.

**ROCKY MOUNTAIN RAIL PARK METRO DISTRICT
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures (continued)

Enterprise Operations and Maintenance Expenditures

Operations and Maintenance expenditures include the estimated services necessary for operating, maintaining and repairing the water system, including legal and overhead expenses of the District directly related to the administration of the Water Enterprise and the Sanitation Enterprise.

Debt and Leases

On April 15, 2021, the District issued \$56,450,000 in Series 2021A General Obligation Limited Tax Bonds with an interest rate of 5.00%, maturing on December 1, 2055 and \$7,200,000 Series 2021B Subordinate General Obligation Limited Tax Bonds with an interest rate of 8.25%, maturing on December 15, 2055. Proceeds from the Bonds will be used for the purpose of the construction of public infrastructure, funding reserves and capitalized interest, and other costs incurred in connection with the issuance of the bonds.

The Bonds are subject to redemption prior to maturity, at the option of the District, on March 1, 2026, and on any date thereafter, upon payment of par, accrued interest, and a redemption premium equal to a percentage of the principal amount so redeemed as follows:

<u>Date of Redemption</u>	<u>Redemption Premium</u>
March 1, 2026, to February 28, 2027	3.00%
March 1, 2027, to February 29, 2028	2.00
March 1, 2028, to February 28, 2029	1.00
March 1, 2029, and thereafter	0.00

The Senior Bonds are payable solely from and to the extent of the Senior Pledged Revenue, defined in the Senior Indenture as the moneys derived by the district from the following sources net of any costs of collection of the County and any property tax refunds or abatements authorized by or on behalf of the County:

- (a.) the Senior Required Mill Levy;
- (b.) the portion of Specific Ownership Tax which is collected as a result of imposition of the Senior Required Mill Levy;
