The following information is general in nature and intended only to assist Retail Liquor Stores in Adams County in the conduct of Alcohol Beverage Tastings. When prepared, it was a concise *summary* and *paraphrase* of applicable rules. As a summary, it omits many details that could be important to particular cases or questions. These hours need not be consecutive, shall be conducted only during the operating hours in which the licensee on whose premises the tastings occur is permitted to sell alcoholic beverages, and in no case earlier than 11 a.m. or later than 7 p.m.
- The licensee shall prohibit patrons from leaving the licensed premises with an unconsumed alcohol sample.

- The licensee shall promptly remove all open and unconsumed alcohol beverage samples from the licensed premises or shall destroy the samples immediately following the completion of the alcohol beverage tasting.
