Main# 303.428.2929

Early Childhood Partnership of Adams County makes it easier for Adams County families to get parent education, community services and tools so children are ready to succeed in school and in life. Decreases barriers for services and supports for young children and their families. Provides support to families with parenting classes towards improved child development and later school success as well as intensive care navigation to be connected to two-generation services. Identifies needs of the families served at the Human Services Building and then seeks community partners to provide requested services on-location.
