

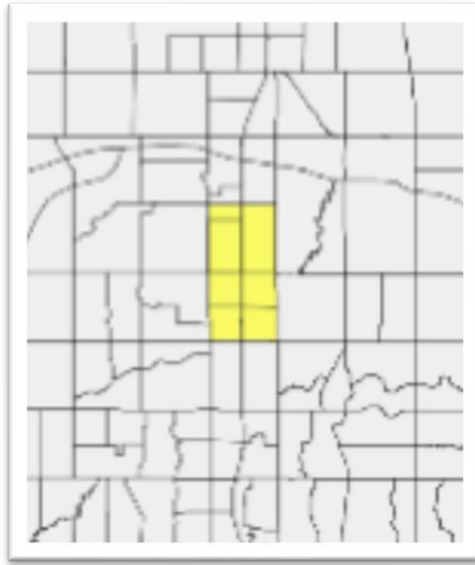

## Exhibit 7:

For MV Objective 2: DRCOG TAZ Data at 144<sup>th</sup> & I-25.

Measure	Map	Value	Change from 2010
Population		504	417
Households		294	263
Employment		2,070	205

### Notes:

Exhibit 2: The four anchor employers provided Smart Commute with the number of employees as referenced in their letters of support:

Exhibit 4: Developed and Vacant Land Use at 144<sup>th</sup> & I-25 is based on Adams County parcel data accessed through the County's GIS Interactive Mapping website. The parcel data coincides with the TAZ polygons highlighted above to provide a comparison between the two resources. The GIS parcel information provided for 1,159 units compared to the DRCOG data of 294 for household and population of 504.
